Don't Miss This Opportunity!

Once again VU is offering you a valuable gift at no charge. Four free seats are held in the morning ASL classes for any staff members who have the approval of their immediate supervisors. There is no charge but students are expected to complete all of the assignments (and no credit is received). Students unable to attend on a regular basis will be dropped from the class. If there are empty spots in the evening classes, staff may have free seats in those classes also. That information will not be available until the last minute.

ASL I	Mon. & Wed.	4:00	pm	-	7:00	pm
ASL I	Tues. & Thurs.	9:00	am	-	12:00	pm
ASL I	Tues. & Thurs.	1:00	pm	-	4:00	pm
ASL II	Mon. & Wed.	1:30	pm	-	4:00	pm
ASL II	Mon. & Wed.	7:00	pm	-	10:00	pm
ASL III	Tues. & Thurs.	5:00	pm	-	8:00	pm
ASL IV	Tues. & Thurs.	12:30	pm	-	3:30	pm
ASL IV	Tues. & Thurs.	7:00	pm	-	10:00	pm

This is tentative based on having at least 10 paying students registered for each class and the availability of instructors.

Alumni Hall Colored Circles

If you see red, yellow or blue circles posted on office doors, these are to help AEP students with telephone book distribution. ISD's AEP classes are busy distributing the new books so please be patient. Contact Middle School Teacher Becky Smith if your books have not arrived.

ISD Recycles

At long last, a recycling program will begin at ISD. The program will begin with milk cartons and juice cartons in both cafeterias. The first day of recycling will be December 6. Details will be announced after Thanksgiving vacation!

Volunteers Needed:

Permanent scorekeepers are needed for Middle School Boys' Basketball Home Games. To volunteer or for additional information please contact Curtis Sigafoose or Eric Mansfield or VIC - (317) 924-8418 TTY/Voice.

Staff Advisory Council Task Force

Transition Consultant Ann Titus is working with ISD to plan for the new Staff Advisory Council. The first organizational meeting will be held in December, with meetings to be held biweekly throughout the second semester.

Thought for the Week:

"I was immensely impressed by the leadership qualities of both staff and students! A real awareness and commitment to student needs was evident. Wonderful hospitality!"

Library Notes:

Everyone seemed to enjoy the Children's Book Week (November 15 - 19) activities in Alumni Hall Library. Head Librarian Linda Canty would like to thank the following people for their assistance:

- Supt. Laird and the supervising teachers *for their support.*
- Teachers Carol Keller and Judy Reynolds *for planning related activities for their departments.*
- Liz Foster for scheduling K-5 classes *for ASL storytelling* ***plus*** *making the banners and posters.*
- Louise Fitzgerald, Glenda Zmijewski, Brian Brizendine, and Wendy Laird *for telling ASL stories of dinosaurs.*
- Brian Brizendine *for standing-in several times for those who couldn't make it in time to tell the ASL stories.*
- Bob Canty *for videotaping the ASL stories and activities in the library.*
- Bill Coffey, Linda Schipp, Ella Elkins, Brian Brizendine and David Catt *for judging the Middle School poster contests.*
- Peggy Baldridge *for assisting with the programming.*
- Last but not the least, Ella Elkins' Middle School art class *for donating a giant dinosaur made out of cloth and plastic bags to coincide with the theme "Be a Readerosaurus."*

Let's Talk Ringworm!

Ringworm is NOT caused by worms but by fungi called dermatophytes. The technical name is Tinea corporis and it can occur on any area of the body not covered by hair. Scalp infection is called Tinea capitis and is usually seen in young children. Tinea pedis (athletes foot) occurs primarily on the feet.

Ringworm begins as a small red bump which spreads outward, so that each affected area takes on the appearance of a red, scaly outer ring with a clear central area. The lesions are often itchy. Transmission is generally by direct contact with a human or animal source.

Ringworm is not a reportable illness (to the State Department of Health) but should be treated a physician. No special measures to control the spread are necessary and the child MAY stay in school if under treatment. Future prevention is not available and recurrence of the infection after treatment is common.

Ringworm occurs in warmer climates or during warmer months in temperate areas. It is not particularly dangerous, has no unusual long-term consequences, and can generally be treated quite effectively with topical and/or oral preparations.

The above information was obtained from the Indiana State Department of Health, Division of Local Health Support.

Athletics Update

Swimming Wrap-Up

ISD began the 1993 swimming season with a brand new team. Six members graduated last year and one swimmer was lost to the football team.

With little experience, the small team of six impressed Coach Nancy Caraboa and many other coaches. The team worked very hard and was determined to improve. They were very eager to learn all the techniques involved with the strokes and turns and very much wanted to compete with their hearing competitors. Winning only one dual meet and losing six did not hinder the swimmers' performances or desire to improve. Placing seventh in the city meet was highlight for the team. The competition was tough and two relay teams brought home sixth place ribbons. Members of these teams were: **Jenni Evans**, **Stephanie Craig**, **Heather Cronin**, **Christy Stripling**, **Carlina Dray**, and **Rebecca White**.

These teams also went on to the finals in the Sectional meet held at Lawrence Central.

Each swimmer had established individual goals; all were successful.

Senior **Stephanie Craig**, an exchange student from Australia, broke two school records:

100M Breaststroke	1:24.85
200M Individual Medley	2:57.15

Coach Caraboa said, "I feel the team had a successful season and look forward to working with the team next year and hope to increase our number to ten swimmers."

Media Center Notes

From Bob Canty, ISD Media Specialist

There are two films #171, PONY EXPRESS IN AMERICA'S GROWTH, and #1880, INVENTORS & AMERICAN INDUSTRIAL REVOLUTION, missing from the school's film depository since last September. If you have forgotten to return either one of these films, please do so immediately. Thanks for your cooperation.

Two portable movie screens are missing from the A/V room in K - 5. During the month of October, a large portable movie screen was taken from the Multi-Purpose Room in FSS and left in K - 5. Please leave a note when moving any item.

Happy Thanksgiving!
